### Board & Card Games

#### Black Friday

A stock trading game with a built-in bubble set to explode. The players

are buying shares on a growing stock market, but at some point in the game the prices will crash. The players must try to find the right time to sell their shares and buy gold and silver, before the market crashes.

Designed by award winning Friedemann Friese. Designer of *Power Grid* and *Fearsome Floors*.

**RGG432**  
**RRP £39.99**  
**Players 2-5, Ages 12+**

#### Olympus

In ancient Greece, the city-states thrived increasing their population and culture, occasionally waging war against each other, erecting buildings and celebrating ceremonies to get the favour of the deities abiding on Mount Olympus.

*Olympus* is a strategy game, based on worker and resource management, build an efficient engine to beat your opponents.

**FFGST08**  
**RRP £49.99**  
**Players 3-5, Ages 12+**

## Duelist Pack YUSEI 3

*Duelist Pack - Yusei 3* brings more of Yusei's favourite cards, including cards from the newest season of the TV series.

This Duelist Pack set contains 30 cards, among these 8 new, never-before-seen cards, including 4 new monsters, 2 new Spell Cards, and 2 new Traps.

That's more new cards than any other Duelist Pack, ever!

This is the first chance to get a hold of "Battle Waltz", a brand new Spell Card that lets players make a copy of any Synchro Monster they control.

Level 4 monster "Justice Bringer" negates the effects of any monster the opponent Special Summoned.

"Synchro Material" is a new Trap Card that lets the player use their opponent's monster to do their own Synchro Summon, also during the opponent's turn.

Each booster contains 5 cards plus one Strategy Card.

**Yu-Gi-Oh!**  
**KON148310**  
**36 packs at RRP £2.29**

## RoadZters

*RoadZters* is a flicking game from Cepia Games. The whole concept revolves around the ZBall, a marble with a unique internal mechanism. Very easy to control, you can spin it in different ways to do high precision shots. The goal of the game is to flick your way to the finish line as fast as possible.

Players have to complete the 13ft track, avoid obstacles, and overtake opponents in order to win the race. No cards or electrical devices are involved.

Easy to learn, tricky to master.

**CEPRDZ10**  
**RRP £39.99**  
**Players 1-4, Ages 5+**

## Board & Card Games

### Hoax

The latest single figure expansion for *Tannhäuser!* Armed with a stealth suit forged from

mysterious alien technology, Caitlin "Hoax" Lamsbury is a ghost on the battlefield, fading from sight only to ambush her foes from the shadows.

*Hoax* comes complete with four miniatures - one is painted to reflect *Hoax* fading from sight while the other three are translucent, used to track her movement whilst invisible.

In addition *Hoax* also comes with a rulebook, tokens, and a custom scenario which throws players into a deadly game of hide-and-seek!

**Tannhäuser**  
**FFGTH11**  
**RRP £16.99**

### Blockade Runner

A resource trading game in the Euro style, but with a dash of danger.

Players take on the roles of entrepreneurs attempting to make the most money by shipping cargo in and out of the South during the American Civil War.

Compete with each other for access to commodities, top market prices, and newly built ships. Make hard decisions including whether to play safely or take potentially profitable risks. The play is hinged upon whether to bring war goods which reduce the intensity of the blockade, or profitable black market goods.

**NUM005**  
**RRP £39.99**  
**Players 2-6, Ages 12+**

### Puzzle Strike

A card game played with wooden chips instead of cards

that simulates a puzzle video game that, in-turn, simulates a fighting game.

*Puzzle Strike* is a complete game in a box that has the fun of a customizable card game without the scheme of selling you parts in random packs. You build your deck as you play the game. Every game is different. There are 10 characters to choose from, each with different gameplay. There are over 411 million starting conditions in a 4-player game.

**SRNPSR02**  
**RRP £47.99**  
**Players 2-4, Ages 10+**

### Yomi: Complete First Edition

*Yomi* is a card game that simulates a fighting

game. It tests your ability to predict how your opponents will act and your ability to judge the relative value of cards from one situation to the next. Also, it lets you do fun combos and be a panda. There are 10 characters to choose from, each with their own deck, abilities, and style. Each deck also doubles as a regular deck of playing cards with beautiful artwork.

The core mechanic is a paper-rock-scissors guessing game between attack, throw, and block/dodge (sometimes modified by special ability cards).

**SRNYMD01**  
**RRP £74.99**  
**Players 2, Ages 10+**

## Dead of Winter

Winter holds sway over Rokugan, even the inhu-

man Destroyers cannot stand the fury of the elements. Although the dead of winter grips the Empire, in the distant ruins of the Ivory Kingdoms, the elements allow the Mantis to get a foothold and attempt to discover the origins of the Destroyers.

Offered in three unique Clan starter decks (Crane, Mantis, and Spider) and boosters, this 166-card expansion continues the celebration of the 15th year of adventures in the Emerald Empire.
